

THE MEDIA CENTRE CAFÉ OLLO

A social hub for clients and visitors, offering a combination of good food, wine and beers, and a real ambience. Café Ollo is the place to drink, eat and connect.

Sit back on a big leather sofa and browse through the daily papers with a latte and a delicious cake or have an impromptu business meeting over panini and wine. Whether you're looking for a relaxing break or simply an alternative to the 'desktop lunch' the café is open for you to drop in on weekdays from 9.00am to 3.30pm.

Café Ollo is a free WiFi hotspot – just collect your ticket when you order your food and drinks.

"The café bar has been of great benefit, both for staff and when entertaining clients; it gives a good feel good vibe as you come into the building, giving and instant impression of being lively and busy."
